

**Verification Worksheet**

Federal Student Aid Programs

Your application is selected for a review called "Verification." In this process, WVC will be comparing information from your application with your and your parents' **2022** Federal tax information, W-2 forms, or other financial documents. Federal regulations give our office the right to request this information before awarding financial aid. If there are differences between your application information and your financial documents, WVC will make corrections electronically to have your information reprocessed. To avoid delays in processing your financial aid, please return verification items as soon as possible.
