First Name:		Last Name:	
Date of Birth:		ctcLink ID:	

## Instructions

This form is used when the National Student Loan Data System (NSLDS) indicates that you have a Total and Permanent Disability (TPD) discharge for one or more of your Federal Student Loans. Federal Student Loans include the Direct Subsidized Loan, Direct Unsubsidized Loan, and the Graduate PLUS Loan. To re-establish eligibility for Federal Student Loans, you **must** complete this form and provide the required documentation.

## Student/Borrower Statement

By completing and signing this form and providing the documentation specified below, I (the student) confirm that I previously had Federal Student Loan(s) discharged because of a Total and Permanent Disability but am now requesting further loan funding. In doing so I understand that:

- I must attach a copy of my physician's letter stating that I am once again able to engage in substantial gainful activity. My physician must be an M.D. or D.O. and the letter certifies I have the ability to engage in Substantial Gainful Activity (as defined by the Social Security Administration) must be on an official letterhead with my physician's contact information.
- I will be unable to get a TPD discharge of the new loan(s) based on the disabling condition I already have as of the date I submit this form, unless the condition significantly deteriorates in the future.
- Any loans discharged in the last 3 years (within the post-discharge monitoring period) will lose their discharge status and the repayment obligation will be reinstated. As such, I will be required to repay those loans along with any newly borrowed loans as normal once my repayment period begins.
